Scouting is not an abstruse or difficult science: rather it is a jolly game if you take it in the right light. In the same time it is educative, and (like Mercy) it is apt to benefit him that giveth as well as him that receives. - Sir Robert Baden-Powell, Founder of the Scouting movement

100th Anniversary Spotlight - Recruiting

A steady flow of youth into a Boy Scout troop or Cub Scout pack is essential to maintaining the unit's health. New Scouts bring energy and enthusiasm to the troop program. To avoid the pitfall of shrinking membership, try to add at least 10 new Scouts every year. Having a year-round growth plan in place will help attract new Scouts.

The first step for any recruitment effort is for each unit to appoint a committee member to serve as the unit membership chair. This person will develop and implement a year-round growth plan that incorporates all methods of recruitment, working closely with the community, the district membership committee, and the unit commissioner.

"I think that American leadership is vital to peace and prosperity and the advancement of democracy in the world, and that requires having strong leaders. And I don't think there's any organization in the world, certainly not in the United States, that better prepares young men for leadership in this country than the Boy Scouts of America—in teaching leadership skills, in teaching values, in teaching importance of standing up for what's right." - Robert Gates, United States Secretary of Defense, Eagle Scout

100th Anniversary Spotlight - Scouting for Food

Scouting for Food is an annual event where all Scout councils in Northern California host simultaneous food drives for their local food banks. The Monterey Bay Area Council partners with the Food Bank for Monterey County, Second Harvest Food Bank of Santa Cruz and San Benito Counties, and Community Pantry of San Benito County to deliver foodstuffs to local food pantries and other programs.

In 2008, the Monterey Bay Area Council collected over 25,000 pounds of food and had 29 packs, troops, and crews participate. Every unit should participate in this event, held annually on the second and third Saturdays in November.

100th Anniversary Spotlight - Soccer and Scouting

In Soccer and Scouting, boys learn the life-long values taught in the Scouting program and, at the same time, are taught soccer skills while participating in exciting competition. It combines the citizenship, character building, morals, and values in which Scouting has been known for the past 100 years with the competition and excitement of youth soccer.

An important aspect of Soccer and Scouting is character development. At every opportunity, there will be time devoted to an activity meant to develop a skill, teach a lesson, or provide an educational opportunity. Utilizing Scouting as a resource, youth gain experiences and knowledge that are vital in today's world.

100th Anniversary Spotlight - Order of the Arrow

The Order of the Arrow (OA) was founded by Dr. E. Urner Goodman and Carroll A. Edson in 1915 at the Treasure Island Camp of the Philadelphia Council, Boy Scouts of America. It became an official program experiment in 1922 and was approved as part of the Scouting program in 1934.

In 1948 the OA, recognized as the BSA's national brotherhood of honor campers, became an official part of the national camping program of the Boy Scouts of America.

The purpose of the Order of the Arrow is fourfold: (1) To recognize those Scout campers who best exemplify the Scout Oath and Law in their daily lives, (2) To develop and maintain camping traditions and spirit, (3) To promote Scout camping, and (4) To crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

100th Anniversary Spotlight - Summer Camp

The greatest adventures of a Scout's life begin at Boy Scout camp. Where but in the great outdoors can a boy hear the midnight hush of the deep woods ... breathe the sweetness of distant wood-smoke ... look down in awe at where he's been, and look up in wonder at where he still must go ... glimpse the deer drinking at first light ... watch eagles soaring in a cloudless sky ... feel the warmth of the campfire as it glows orange against the thickening darkness ... and at the end of a long day, hear the hooting owl under a sky flashing with stars.

Who can say that in such an atmosphere a youth's mind is not reached, his faith not freshened, or his heart not stirred? Or that, in ways that are a mystery to us all, he will not grow closer to the man he is becoming?

100th Anniversary Spotlight - 2010 National Jamboree

At dawn on July 26, 2010, dew on the empty fields shimmers in the growing daylight. And then ... here they come! By noon, throngs of Scouts are carrying gear and tents, and gateways begin to emerge from the empty ground. By dusk, the landscape has been transformed into a bustling city of 18,000 tents, 3,600 patrol kitchens and 43,000 Scouts and leaders. This transformation occurs in mere hours, making Jamboree City the fastest growing city in Virginia, if not the world.

Amid the thousands of colorful tents that will house participants and provide program and support services, there is an infrastructure that provides a safe and secure environment at Fort A.P. Hill. Everything from bus systems, telephone and Internet, to first-aid stations and a hospital, police and fire departments, post offices, food warehouses, a daily newspaper, and retail stores (trading posts and concession stands) provides all the support and program services needed for an outstanding event.

"You look at the Eagle Scouts that are in business that are well-known people; that's the image of Scouting that we want to show to America because this investment that is made is the greatest enduring gift any youth movement can make to this nation, to turn out more and more and more young people with the values of Scouting." - John Gottschalk, president, Boy Scouts of America, and chairman and chief executive officer, Omaha World-Herald Company

100th Anniversary Spotlight - National Summertime Pack Award

The purpose of the National Summertime Pack Award is to encourage packs to provide a year-round program by continuing to meet during the time periods when school is out of session for several weeks or months. If a pack is in a "year-round school" (or is part of a home-school association), the pack could earn the Summertime Pack Award by having a special pack activity during those breaks.

Qualifying packs receive a colorful streamer for their pack flag. Dens with an average attendance of at least half their members at the three summer pack events will be eligible for a colorful den participation ribbon. Boys who participate in all three pack events are eligible to receive the National Summertime Pack Award pin, which they can wear on the right pocket flap of their uniform.
