

BOY SCOUT PROVISIONAL CAMP AT PICO BLANCO

March 2008

Dear Parents and Unit Leaders:

We are pleased to announce that Camp Pico Blanco will offer a Summer Camp Provisional Troop during the fourth week of Boy Scout camp, August 3-9, 2008

The Provisional Troop is open to all Boy Scouts whether or not they are already attending Pico Blanco or any other camp. The Council provides adult leadership. **The cost will be \$280.00 per Scout if registered in the Monterey Bay Area Council and \$295 for out of council Scouts.** If your Boy Scout(s) wish to attend another week of camp to work on rank advancements, complete, or start new ones; this is a great opportunity for them.

Any interested Boy Scout should complete the registration form. Once the form has been received, we will send out the necessary medical and parent release forms, Bring to Camp List, as well as information on programs being offered at Camp Pico Blanco.

If you should have any questions, call the Council Office at (831) 422-5338 and speak with Desiré Brown.

Please fill out and return the enclosed application along with your registration fee.

Happy Camping!
